

Fortitude Valley, Gipps Street

Site No: 400605A

Size: 6 x 3m

Location:

This site is located at the busy intersection of Gipps Street, Wickham Street and Barry Parade. The site benefits from a high volume of slow moving traffic as this road is the connection road for people travelling from the northern suburbs into the CBD and onto the Story Bridge to the eastern southern suburbs. This site is also located some 500 metres from Chinatown and the Brunswick Street Mall.
